

MBA APPLICATION PACKET

Section I: Application Requirements

The Hellenic American University requires applicants to submit a packet of materials to be considered as part of their application. The following information outlines the required materials and provides further explanations relating to formal documents and testing centers/procedures, where appropriate.

All application support documentation should consist of either the **original documents or notarized copies**. Since the language of instruction and administration at the Hellenic American University is English, **documents that are not in English must be accompanied by certified English translations**.

The accuracy and completeness of submitted material will facilitate the admissions process and the timely evaluation of the applicant's candidacy. All applications and support materials are retained by the Hellenic American University. Once submitted, no materials will be returned to the applicant.

INTERNATIONAL APPLICANT INFORMATION

Citizens of countries that are not members of the European Union who wish to study at the University must obtain permission to enter Greece and to reside there in accordance with the current Greek laws. Applicants for admission are advised to verify the requirements for nationals of their country through the Greek Consular authorities. For additional details on the legal requirements for international applicants, you may also contact the University Admissions Office.

All international applicants are urged to register early for the appropriate TOEFL/TOEIC test administrations. Applicants make their own arrangements for the examinations and must have the results forwarded to the University.

PERSONAL INTERVIEWS

A personal interview is required by every applicant who appears to meet the standards for admission. International students who cannot be interviewed in Athens will be interviewed by telephone. During the personal interview, the applicant's prior academic and professional experience will be discussed as part of the admissions process.

CONDITIONAL ADMISSIONS

Under certain circumstances, applicants who demonstrate excellent potential for successful completion of the program, but do not meet all entrance requirements, may be considered for conditional admission by the Admissions Committee. Students admitted in this manner must successfully remove any outstanding conditions within the time period established by the Admissions Committee in order to achieve unconditional status and officially continue in the program.
